

Attachment One is a chart showing the production figures for the principal branches of industry in the Russian zone of Germany for the month of April and the first four months of 1949. The figures include all plants except privately owned concerns employing less than ten persons. The figures are given in 1,000 DM-east. "VVB Land" includes all state owned factories under state direction. "Other Publicly Owned" includes factories owned and directed by cities and counties. "Zonal Controlled" refers to the important factories under direct control of the DEK.
